## **About Foothills Education Charter High School**

Foothills Education Charter High School (Foothills) is a collaborative effort of Baldwin, Barrow, Clarke, Greene, Jackson, Madison, Morgan, Oglethorpe, Social Circle City and Walton school systems, along with the Georgia Department of Corrections and the Georgia National Guard through the Youth Challenge Program. We are an academic, self-paced, individualized, evening high school that serves students who are seeking a non-traditional school environment and who desire a Georgia high school diploma. Foothills also serves students who need to make-up missed credit from their regular high school (**when room is available**), enabling them to stay on academic track and graduate with their peers.

Foothills is a year-round school that offers all Georgia required curriculum courses as well as a variety of vocational courses. The teachers at Foothills are certified. We maintain a low student to teacher ratio and are accredited by the Georgia Accrediting Commission (Fall 2015) and most recently by Advanced ED in the Spring of 2018.

This collaboration offers students the choice to attend school at one of eight sites in Baldwin, Barrow, Clarke, Greene Jackson, Madison, Morgan, Oglethorpe, Social Circle and Walton Counties. The educational program serves two categories of students:

1. the transfer credit student (TC) who needs to make up or earn coursework in order to remain in their high school and graduate with their peers when space is available, and
2. the full-time student (FT) who is no longer enrolled in another school and is seeking a Georgia accredited high school diploma through Foothills.

**Foothills Education Charter High School operates Monday through Thursday. School hours are from 4:00 p.m. - 9:00 p.m. Summer hours are typically 4:00 p.m. - 8:00 p.m.**

# Student Registration and Enrollment

Students eligible to enroll at Foothills must be either 14 years old or older and have attempted the 9th grade.

To register, Transfer Credit (TC) students need:

- A recommendation form completed by the student's regular high school and a counselor's signature

To register, full time (FT) students need:

- Come in and request enrollment forms,
- Fill-out all required paperwork including permission to request records from previous school,
- Understand that enrollment is provisional for 30 calendar days while awaiting evidence of age, residence or other local requirements

In addition the registrar **may** request the following information:

- Current immunization record
- Eye, ear and dental examination record
- Date entered 9<sup>th</sup> grade
- Social security number

Registration can occur anytime during the year. Students desiring a chance to enroll as either a FT student or a TC student must not be under any discipline from their home school. All discipline must be completed before a student can be considered for enrollment at Foothills.

## Cost

There is no charge for full time (FT) students. Students who are jointly enrolled with a regular day school program will pay for following tuition costs:

- |                             |       |
|-----------------------------|-------|
| • one-half Carnegie unit    | \$75  |
| • one Carnegie unit (block) | \$150 |

## Student Payments

All payments that students make to Foothills Education Charter High School can now take place in our Student Information System known as "Infinite Campus". Students will bring payments in on a credit or debit card instead of using and accepting cash and personal checks. If you have any questions, please refer to your site registrar for further explanation.

## Student Attendance

We recognize the relationships between daily school attendance, student performance, graduation, and success in the workplace. We also know that the amount of time actually spent in class is a good measure of student access to an education and ultimate success. Each tardy, early check-out or absence means a student has lost an opportunity to learn. Foothills Education Charter High School strives to improve our students' academic success through improved school attendance.

Students ages 16 and above are encouraged to attend classes as frequently as possible to complete their high school diploma requirements.

Students under 16 years of age are encouraged to attend a minimum of 20 hours per week between the start of August and the end of May. Georgia State Code and policies of the Georgia Board of Education encourage student attendance. Foothills Charter High School Board of Education policy and procedure reflects the state laws and Georgia Board of Education policy. Excused absences are those designated by state law, State Board of Education policy, and Foothills Education Charter High School Board policy. Students may be excused for the following reasons:

- When the student is personally ill and/or when attendance in school would endanger his/her health or the health of others (medical documentation will be required).
- A serious illness or death in a student's immediate family necessitating absence from school (medical documentation may be required).
- A court order or an order by a governmental agency, including pre-induction physical examinations for service in the armed forces, mandating absence from school.

- Observing religious holidays, necessitating absence from school; conditions rendering attendance impossible or hazardous to student health or safety.
- A student whose parent or legal guardian is in the military service in the armed forces of the United States or the National Guard, and such parent or legal guardian has been called to duty for or is on leave from overseas deployment to a combat zone or combat support posting, shall be granted excused absences , up to a maximum of five school days per school year, for the day or days missed from school to visit with his or her parent or legal guardian prior to such parent's or legal guardian's deployment or during such parent's or legal guardian's leave.
- Students serving as a page of the Georgia General Assembly are considered present

**For students under 16, parents may write notes to the school excusing up to five absences per school year without medical documentation. Phone calls will not be accepted. A parent /guardian who violates the Georgia Compulsory Education Law shall be guilty of a misdemeanor and upon conviction thereof, shall be subject to penalties specified in state code as adjudicated at the discretion of the court having jurisdiction. Each day's unexcused absence beyond five unexcused absences constitutes one violation.**

**Compulsory Attendance Laws: § 20-2-690.1 Mandatory education for all children between the ages of 6 and 16.**

## **Teenage and Adult Driver Responsibility Act (TAADRA)**

Effective July 1, 2015, schools will simply have to certify that a student is enrolled in and not under expulsion from a public or private school to be eligible for a driver's license or learner's permit. A new ***Certificate of Enrollment*** form will be available for schools to certify that a student is eligible for a driver's license or learner's permit. The new ***Certificate of Enrollment*** form will replace the ***Certificate of Attendance*** and the ***Certificate of Eligibility for Restoration of Driving Privileges*** form that schools are currently using.

### **Student Transportation**

Transportation to and from school is the responsibility of the student and parents/guardians/caregivers. All transportation arrangements will be made prior to coming to school. All authorized persons providing transportation to students under the age of 16 are required to report to the office or classroom to pick up students. Students are not allowed to wait in the hallway or outside the building for rides. Students are not permitted to be in or near the automobiles before, during or after school. Loitering in the parking lots and hallways will not be permitted.

### **Curriculum**

To better meet the different learning styles of students, Foothills offers a variety of course formats. All methods are correlated to the Georgia State Standards and provide self-paced, individualized, mastery learning. Foothills school materials, textbooks, and student folders are not to be removed from the school.

### **Academic Grades**

Foothills has adopted the following grading scale:

A = 90-100

B = 80-89

C = 70-79

F = below 70 = Failure

### **Nutrition**

Foothills does not offer meals. Students are encouraged to seek nourishment prior to attending each day, and are provided a half-hour meal break each evening for bagged meals, which may be brought to campus.

### **Volunteering**

Foothills loves to have parents and community leaders volunteer their time to speak to students and groups about job opportunities and chaperone events and possible trips. Becoming a volunteer is important to us and the lives of our

students; however, we must take safety precautions in an effort to protect our students and staff. As required by law, all volunteers will need to go through training beginning in the fall. This training will be spelled out in detail in our new Board Policy/Regulation in August.

## NCAA Initial Eligibility

Coursework from Foothills has been reviewed by the NCAA Eligibility Center and meets NCAA nontraditional core-course legislation. To see a list of NCAA core courses from Foothills, please refer to [www.eligibilitycenter.org](http://www.eligibilitycenter.org) or contact your Counselor.

All high school students who wish to practice and compete for a Division I or II institution must register and be certified by the NCAA initial Eligibility Clearinghouse. The Clearinghouse will determine a student athlete’s initial eligibility status for all Division I and II institutions by reviewing an official high school transcript and the official SAT/ACT scores. All athletes interested in playing a college sport should contact their Counselor for additional information.

\*Foothills Education Charter High School’s core courses have been reviewed by the NCAA Eligibility Center, and all courses meet the requirements for NCAA eligibility with one exception: If a student pretests out of all modules within a course, a designation of “neNCAA” will be added to the course name on the student’s transcript to indicate that this course does not meet eligibility requirements for the NCAA. Students interested in playing a college sport should contact their Counselor upon enrollment at Foothills.

Legal Disclaimer: The list of NCAA courses, and courses contained within, are maintained as a guide for prospective student-athletes seeking NCAA initial eligibility. The list of approved courses does not, nor is intended to, signify accreditation, certification, approval or endorsement of any high school or specific course by the NCAA or NCAA Eligibility Center and is subject to change at any time and without notice. Core course information included on the NCAA Eligibility Center website ([www.eligibilitycenter.org](http://www.eligibilitycenter.org)) is provided for guidance purposes only and should not be solely relied on as an indication of NCAA initial-eligibility. Certification of a prospective student-athlete is case specific, and the Eligibility Center has the authority to determine in its sole discretion whether the prospective student-athlete has met all criteria.

Students who have withdrawn from a public school must meet the graduation requirements for the graduating class in which they re-enroll. **Students electing to receive a Foothills diploma shall meet the graduation requirements outlined below.** The Georgia Board of Education and Foothills require that students earn the number of units specified in the applicable State Board rule.

This is a very meaningful ceremony for students and their families, and all students are encouraged to participate.

**Transitions Course of Study Diploma** - the document awarded to students with disabilities assigned to a special education program who have not met the state assessment requirements referenced in Rule 160-3-1-.07 Testing Programs - Student Assessment or who have not completed all of the requirements for a high school diploma but who have nevertheless completed their Individualized Education Programs (IEP).

### **Valedictorian and Salutatorian**

Foothills Education Charter High School is allowed to select only one Valedictorian and one Salutatorian to collectively represent all the sites.

To be eligible for Valedictorian, Salutatorian, or an Honor Graduate at any Foothills site, a student must meet the following requirements:

1. Complete three or more units of credit at Foothills
2. Be in attendance as a FT student for two consecutive Foothills FTE counts.

In order to be considered for Valedictorian, Salutatorian, HHG (High Honor Graduate), and Scholarships offered by outside donors for our Spring Graduations, student must have a “G” by their names in Infinite Campus indicating that they have completed all requirements by April 30<sup>th</sup> each year. Students can still graduate and participate in graduation ceremonies and be eligible for “Site Awards” if they complete all graduation requirements after April 30<sup>th</sup>. Any grades posted after April 30<sup>th</sup> cannot be used in the calculation of awards except any “site awards” that may be given by the sites.

For the two Regional Graduations in August and December annually, students must have a “G” by their name by August 15 and November 21<sup>st</sup> respectively. Any grades posted after those dates cannot be used in the calculation of awards except any “Site Award” that may be given.

For all Graduations associated with Foothills Youth Challenge Programs, the dates will be set based on the ending dates for each session at each of the three locations and will be set by the Georgia Youth Challenge Leadership. For High Honor Graduates Awards, the grade cutoff date will be the last Friday of the month prior to graduation. JCA can participate in regional graduations. They will not be included in honor grads but they will be included in the Val/Sal and scholarship (military and post-secondary) eligibility.

ALL Scholarships and Awards should certainly consider the overall “Good Standing” of students. Students may lose the Scholarship and/or Award if they are not considered in “Good Standing” in the school and/or community.

## **Scholarships and Awards**

### **General Scholarships and Awards:**

**General Scholarships** - Foothills has developed a Scholarship program for qualifying seniors in an effort to increase the number of high school seniors who opt for post-secondary education or military opportunities. The Central Office will fund these scholarships.

Students who want to be considered for the general scholarship should complete the Scholarship Application form on the Foothills website.

Only students who have applied and been accepted to post-secondary colleges, technical schools, apprenticeships, or the military are eligible to receive general scholarships.

General scholarships will be funded once proof of enrollment into post-secondary colleges, technical schools, apprenticeships, or the military is provided to the Site Director from the Foothills site that the graduate attended no more than one year from their graduation date.

**General Awards** - Foothills has developed an Award program that does not require proof of enrollment into post-secondary programs or the military. The Central Office will fund the following General Awards:

- **Valedictorian and Salutatorian** - One per year awarded at spring graduation.
- **Highest GPA and Second Highest GPA** at each site and for each graduation.

### **Scholarship and Award Processing**

Site Directors will send an email with the name, address, social security number, and amount of General Scholarship or Award to Accounts Payable and Bookkeeper.

Accounts Payable will “obligate” funds and the Scholarship Award Letter will be mailed to students with instructions and details for the students regarding their scholarships or awards.

## **State-Mandated Tests**

### **Georgia Milestones**

The Georgia Milestones Assessment System is designed to provide information about how well students are mastering the state-adopted content standards in the core content areas of language arts, mathematics, science, and social studies. Importantly, Georgia Milestones is designed to provide students with critical information about their own achievement and their readiness for their next level of learning – be it the next grade, the next course, or endeavor (college or career).

Informing parents, educators, and the public about how well students are learning important content is an essential aspect of any educational assessment and accountability system.

Students will take an end-of-course assessment in the following eight courses:

- Language Arts
  - Ninth Grade Literature and Composition
  - American Literature and Composition
- Mathematics
  - Coordinate Algebra
  - Analytic Geometry
- Science
  - Physical Science
  - Biology
- Social Studies
  - United States History
  - Economics/Business/Free Enterprise

Per State Board of Education Rule 160-4-2-.13 STATEWIDE PASSING SCORE, the numeric score on the Georgia Milestones EOC shall count for 20% of the student’s final numeric grade in the course assessed by the Georgia Milestones EOC.

## **Guidance and Counseling**

Foothills make every effort to meet the needs of the students in career planning as well as social and family interactions. Counselors are available to assist students in planning for college, technical training, the military, or entrance into the workforce. The career centers at each site offer registration and information on required college entrance tests as well as the military placement test. College exploration and applications are available to the students. In addition, students are encouraged to participate in interest inventories and personality and learning style surveys. As part of the Bridge Legislation students are required to complete Georgia Career Information System activities to help plan for their future.

Foothills shall ensure that each student develops an individual graduation plan. The individual graduation plan shall be developed in consultation with the student’s parents, guardians, or individuals appointed by the student’s parents or guardians to serve as their designee. Parents and/or guardians must approve this plan annually.

Foothills shall provide guidance, advisement, and counseling to each high school student that will enable the student to successfully complete his or her individual graduation plan and prepare him or her for a seamless transition to postsecondary study, further training, or employment. Sometimes this guidance will include support groups. Please notify the school if you prefer your child not participate in groups.

Each student’s individual graduation plan shall:

1. Include rigorous academic core subjects and focused course work in mathematics and science or in humanities, fine arts, and foreign language or sequenced career pathway coursework;
2. Incorporate provisions of a student’s Individualized Education Program (IEP), where applicable;
3. Align educational and broad career goals and the student’s course of study;

4. Be based on the student's selected academic and career focus area as approved by the student's parent or guardian;
5. Include experience-based career oriented learning experiences, which may include but not be limited to, internships, apprenticeships, mentoring, cooperative education, and service learning;
6. Include opportunities for postsecondary studies through articulation, dual enrollment, and joint enrollment.
7. Allow flexibility to change the course of study but remain sufficiently structure to meet graduation requirements and qualify the student for admission to postsecondary education;
8. Be approved by the student and the student's parent or guardian with guidance from the student's school counselor or teacher advisor; and
9. Be reviewed and revised, if appropriate, upon approval by the student and the student's parent or guardian with guidance from the student's school counselor or teacher advisor.

An individual graduation plan may be changed at any time throughout a student's high school career upon approval by the student and the student's parent or guardian with guidance from the student's school or teacher advisor.

Dual enrollment is available to students who meet specific qualifications. These students have the opportunity to finish high school while attending a college or technical school. Dual enrollment is a wonderful way for students to accelerate and gain college credit while still in high school. Students may obtain information concerning these options by contacting a Foothills counselor.

## **Dual Enrollment** (College Credit Now)

## **Special Education**

Foothills is committed to meeting the needs of students with disabilities by providing a full continuum of services. Services and supports are delivered by certified special education teachers and licensed paraprofessionals.

### **IDEA**

Foothills Education Charter High School operates under a statewide attendance zone, but predominately serves students from the counties in which sites are located, along with adjacent areas. To ensure that current and potential students and their families have knowledge regarding Foothills' compliance with U.S. IDEA regulations and support for all students with disabilities, we will publish an annual notice in the legal organ of all counties in which we operate sites in the late summer, ahead of each academic year. This is the responsibility of the Regional Director for Special Education.

In accordance with IDEA regulations, Foothills Education Charter High School seeks to ensure that all disabled students (ages 3-21) who are in need of special education within its service area are identified, located and evaluated, including those attending private schools and home schools. Final identification of students with disabilities and programming for such students occur only after an appropriate evaluation and a determination by a Student Support Team.

## **Section 504 Procedural Safeguards and Notice of Rights of Students and Parents**

Any student or parent or guardian ("grievant") may request an impartial hearing due to the school system's actions or inactions regarding your child's identification, evaluation, or educational placement under Section 504. Requests for an impartial hearing must be in writing to the school system's Section 504 Coordinator; however, a grievant failure to request a hearing in writing does not alleviate the school system's obligation to provide an impartial hearing if the grievant orally requests an impartial hearing through the school system's Section 504 Coordinator. The school system's Section 504

Coordinator will assist the grievant in completing the written Request for Hearing. The Section 504 Coordinator may be contacted through the school system's central office. Copies of the 504 Procedural Safeguards and Notice of Rights of Students and Parents Under Section 504 may be found at the system website or may be picked up at the central office or at any of the school offices.

## **Student Support Team (SST)**

The student support team is a group of professionals who identify, plan and recommend alternative instructional strategies for students who are experiencing academic or adjustment difficulty. Such students shall be served through SST plans, Section 504 plans, or a combination thereof. For more information, contact the Site Director

## **CODE OF CONDUCT Student Behavior**

### **Development of the Student Behavior Code**

This code was developed in conjunction with Georgia school laws pertaining to student discipline in secondary public education outlined in the Official Code of Georgia Annotated (O.C.G.A.), commonly called the Georgia Code (specifically, O.C.G.A. § 20-2-730 – O.C.G.A. § 20-2-769). Such a code is mandated in O.C.G.A. § 20-2-735. The behavior code is reviewed on an annual basis. The revisions of the behavior code will go into effect on the first day of school each year.

### **When the Student Behavior Code Applies**

The rules contained in the *Student Behavior Code* apply to students, both during and outside normal school hours, who are:

- On school system property
- Off school system property while attending a school activity, function, or event
- En route to or from school or school-related activities
- Off school system property but engaged in conduct that, if committed at school or during a school-related activity, would endanger the health, safety, and well-being of other students, teachers, and school personnel or would disrupt the educational process
- School bus stops

### **Explanation of Consequences**

#### ***Detention***

A requirement that the student report to a specific school location and make up work missed or to receive specific instruction in behavior modification. Detention may require the student's attendance before or after school.

#### ***Short-Term Alternative Placement (In-School Suspension or ISS)***

Removal of a student from the classroom to work in an isolated area staffed with school system personnel. While in this setting, the classroom teacher provides work for the student to complete. This is used sometimes in lieu of out-of-school suspension. The student is excluded from all school-sponsored and extracurricular activities while assigned to this setting.

#### ***Therapeutic Removal of a Student***

A student may be sent home from school for therapeutic purposes. The site director or designee and the parent/guardian may agree that, in some instances, it may be better for a student to leave school temporarily. This time away from class should not be considered as suspension.

#### ***Suspension***

Removal of the student from the school campus and exclusion from all school-sponsored activities, extracurricular activities, and course work required. Suspension by the site director or designee shall not exceed 10 consecutive days. The disciplinary hearing officer or the Governance Board may only impose suspensions beyond 10 days after a due process hearing to determine guilt or innocence.

#### ***Expulsion***

The removal of a student from the school system for an extended period of time; or permanent removal by the Governance Board or through a disciplinary hearing.

### **Explanation of the Term “Possession”**

A student is in “possession” of an illegal or prohibited item when it is found, or determined to be, in or on the person of the student, in his or her personal effects (including book bag, pocketbook, or athletic bag), located in the student’s locker, in a student’s vehicle (or a vehicle in which the student was transported), while the student is on school property or at any school event or function.

**This code is only used when the attack is very serious – enough to warrant calling the police.**

A student shall not engage in verbal confrontation or other verbal misbehavior including insult, use of profanity, ethnic, racial, sexual, religious slurs, bullying, or harassment that might lead to this offense. Any student who commits an act of physical violence against a teacher, administrator, school bus driver, or any other school employee shall be suspended pending a disciplinary hearing before a tribunal.

The Governance Team shall appoint members of the tribunal (which will consist of three certified educators) to determine all issues of fact and intent relative to the alleged incident of physical violence. The tribunal shall submit its findings of fact and intent, along with its recommendations of punishment, to the Governance Board as required by O.C.G.A. § 20-2-751.6. The Governance Board shall review the findings and recommendations of the tribunal and may follow the recommendation or impose penalties not recommended by the tribunal.

If the student is found guilty of this offense, the discipline shall be expulsion, long-term suspension, or short-term suspension. In cases where the act of physical violence results in physical harm, the student shall be expelled for the remainder of his/her eligibility to attend public school.

## **DISCLAIMER**

Any policy or procedural changes that take place after the publishing of the student handbook will be sent home with the student or published on the website. Such changes will supersede what may be listed in the student handbook.

## **Disciplinary Action/Hearing**

Students will not interfere with the right of other students to learn. Violation of any of these rules will result in appropriate discipline as determined by the Site Director or Superintendent/designee, which may include suspension or expulsion from Foothills. A student may be taken before a Foothills appointed Hearing Officer to determine appropriate discipline in cases where the offense is serious or behavior has become a constant issue. After the decision rendered by the Hearing Officer, parents/student has the right to appeal to the Governance Board. This appeal must be made within 20 days after the decision of the Hearing Officer.

## **Off Campus Behavior that Leads to Felony Charges**

Any off-campus behavior of a student which could result in the student being charged with a felony or its juvenile equivalent, and which makes the student's continued presence at school a potential danger to person or property at the school or which disrupts the education process may be disciplined and/or suspended from school.

Pursuant to Georgia Law **20-2-768**, a student who is charged with a Felony off campus may be denied accessibility to Foothills since we have no Alternative School options to make a placement. The student will be issued a letter stating this issue and also stating that once the felony charge has been adjudicated, Foothills will reconsider the option of allowing the student to enroll. Under Georgia Law 20-2-754 this decision can be appealed to a hearing officer that is appointed by the Foothills Governance Board. Should the student or parents wish to have such a hearing, they must notify the site-director or Regional Director of Operations in writing within twenty days of the initial letter. The student may be represented by an attorney at their expense and if they choose to have an attorney at the hearing they must notify Foothills no less than forty eight hours prior to the time established for the hearing.

## **Student Searches**

A Site Director or designee may search a student if there is reasonable grounds that the search may turn up evidence that the student has violated or is violating either the law or rules of the school as set forth in the student handbook. Law enforcement and specially trained dogs to detect drugs will be used at the discretion of the Site Director to search lockers, book bags, cars and the school premises with or without the student's permission.

## **Sexual Harassment Harassment & Discrimination Policy**

It is the policy of Foothills that racial, sexual, or other forms of harassment or discrimination are strictly forbidden. Any student who believes he or she has been subjected to harassment or discrimination by other students of Foothills based upon his or her race, color, religion, national origin, age, disability or sex should promptly report the same to the Site Director and/or designee.

Any form of sexual harassment is prohibited. Sexual harassment is defined as behavior that is unsolicited, non-reciprocal and unwelcome. This behavior includes, but is not limited to, profane language, sexist terms, comments about body parts, touching, hugging, kissing, etc.

## **Restraint**

As a part of the emergency procedures in place in our schools, any student who poses an imminent risk of injury to him/herself or others may be physically restrained by school staff in accordance with Governance Board procedures. These could occur along with other emergency actions such as calling the police. Significant violations of the law, including assaults on students and staff, will be reported to the police. As soon as possible after any such incident, the parents or guardian will be informed.

## Computer and Internet Use

Foothills recognizes that electronic media, including the Internet and electronic mail, enhance the quality and delivery of education in our schools by providing access to unique resources and opportunities for collaborative work. Any electronic communication that uses Foothills computer resources, hardware or software, may be subject to review and there should not be any expectation of privacy other than that which is required by law. Use of electronic systems shall be in support of, and consistent with the vision, mission, and goals established by Foothills and for the purpose of instructional and administrative support.

Students must obtain permission from the teacher before using the Internet. All Internet use must be under the direct supervision of a staff person. The use of electronic technology is a privilege, not a right, which may be discontinued at anytime. Foothills reserves the right to examine electronic mail messages, files on all types of Foothills computers, logs of websites visited, and other information stored on or passing through Foothills networks or stand-alone systems.

Unauthorized usage includes, but is not limited to visiting "chat" rooms, access, transmission, storage, or display of offensive materials or messages including those that contain sexually explicit information; ethnic slurs or racial epithets; defamatory, abusive, obscene, profane, and/or threatening language; encouragement of the use of controlled substances; or illegal material. If an student accidentally accesses an inappropriate website, the student must leave the site immediately and report the inadvertent "access" to his/her immediate supervisor or teacher.

Students are not allowed to use personally owned electronic storage devices (i.e. -memory drive, flash drive, portable hard disk drive or iPod). Student use of these devices can result in loss of computer privileges and/or disciplinary action.

## Medications (Prescription and Non-Prescription)

Whenever possible, medications should be given at home, before or after school; rather than during the school day. School personnel cannot administer medication without prior written authorization from the parent/guardian. All medications are to be kept in their original containers and maintained by the Site Director or the front office, depending on each school's staffing. All medications need to be in their original container. It is highly recommended that any medication to be administered during school be delivered to the front office by a parent/guardian. A "Medication Form" (available in the administrative office) will need to be completed at this time. If it is necessary for a student to transport the medication to school, he/she must take the medication to the front office immediately upon arrival at school.

A student for whom the school has on file supporting medical documentation may carry at all times with parental/guardian permission inhalers for asthma, auto-injectable epinephrine (epi-pens) for allergic reactions and glucagon for diabetes all necessary supplies and equipment to perform monitoring and treatment functions authorized by the student's diabetes medical management plan.

Medical Marijuana: Georgia Law, 16-12-191, provides that persons may be in possession of medical marijuana under limited circumstances defined in the law. Because of federal law, parents should make other arrangements for administering medical marijuana at school and students should NOT possess the medical marijuana at school. Federal Law has NOT changed and possession of any form of marijuana is illegal. Disciplinary action directed toward students in possession of medical marijuana (as any other drug) will follow the handbook guidelines as set forth and approved by our Governance Board.

**It is a violation of the Code of Conduct for a student to share any medication with another student.**

**Prescription medications** must be in the original container with the name of the patient, the prescribing physician, dosage and the pharmacy indicated.

**Non-prescription medications** must be in the original container and accompanied with a parental note giving permission to administer. Examples of non-prescription drugs are aspirin, Tylenol, cough syrup, etc. The note must state what the medication is, how much should be given, and when it should be given. The site administrator or designee may administer this type of medication and "log" each time the medicine is dispensed.

## Accurate Telephone Number

If your child should become ill, Foothills will notify you by telephone. Please make certain we have an **ACCURATE TELEPHONE NUMBER** so you can be reached. A student for whom the school has on file supporting medical

documentation may carry at all times with parental/guardian permission inhalers for asthma, auto-injectable epinephrine (epi-pens) for allergic reactions and glucagon for diabetes. Students authorized to self-administer such medications shall be instructed not to permit any other student to handle, possess, or otherwise attempt to use his/her medication and shall be informed that violations of such instructions will be dealt with in accordance with the student code of conduct.

In order for the student to carry and self-administer such medications, the parents must provide a written statement from a licensed physician confirming that the student is able to self-administer the medication and written permission from the parent for the nurse or designated employee to consult with the doctor regarding any questions that may arise concerning the medication. Such permission shall release the school district and its employees and agents from civil liability if the self-administering student suffers and adverse reaction as a result of self-administration of such medication. Parents are encouraged to provide to the schools duplicate medication and supplies in the event a student is unable to self-administer or fails to bring the medication or equipment to school.

The Governance Board shall involve parents in the joint development of a written parent involvement policy. Foothills shall involve parents in the process of school review and improvement under the No Child Left Behind Act through input received from appropriate parent committees and other parent meetings or written surveys. Foothills shall also establish expectations for parent involvement through written information distributed to parents.

The Governance Board shall build the schools' and parents' capacity for strong parental involvement through a variety of activities that include but are not limited to:

- Providing information to parents in written form or through meetings on topics such as the State's academic content standards, State and local student academic achievement standards/assessments, and the requirements of parent involvement under the law;
- Training educational staff on how to build ties between parents and the school;
